

1st father's day as a single dad
guess one of these idiots
got their head buried
by trying to do
some pranks

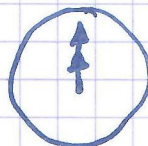

or maybe those brats
did forget it

That s' weird, they
usually do a lot of noise
on the morning

Maybe they went to the
bakery to get me some
gummy bears for's sleepover

they didn't come back
something happened to them

Soren!
Claudia!

You put us under the sleep
spell remember!

but you forgot the
dry bed spell! our
sheets are
all wet!
